CHALLENGE

Assist one of the largest and best-known hoteliers in the world to improve and optimize its massive Web presence.

SOLUTION

Provide on-going Web strategic consulting services and creative direction to multiple marketing initiatives, site redesigns, technical improvements and strategic planning. Projects range in scope from single marketing pages to promote specials and new property openings to complete overhauls of entire sections of the site.

RESULT

In 2006, Marriott.com will process over \$4 billion in reservations. The site is considered one of the most reliable and easiest to use in the world. Works have won numerous awards and recognition in the industry and beyond.

ABOUT UNISON
