ANNA TURNER

STRATEGIST

From market trends to consumer preferences, Anna Turner digs deep to deliver research insights that are the foundation of sound business decision-making and strategic direction.

Before coming to Unison, Ms. Turner worked at the Economic Policy Institute, a non-profit economic research think tank based in Washington, D.C. While there she researched and co-authored policy briefs on the federal budget, macroeconomic issues, and retirement. She has also blogged about youth economic perspectives on the Huffington Post. Currently, Ms. Turner is co-authoring a college curriculum that looks at the Social Security system from a young person's perspective.

Anna received her BSc. in Economics from the London School of Economics and Political Science, where she concentrated in public economics and international relations.
