SHANNON FLYNN

PROJECT MANAGER

Shannon Flynn brings a broad range of managerial experience to Unison, where she oversees everything from office operations to the successful implementation of individual projects for Unison's clients. In these duties, Ms. Flynn is equally adept at maintaining client communications about budgets, schedules and deliverable, while directing office resources and budgets for Unison.

Prior to joining Unison, Ms. Flynn worked as Marketing Director at real estate marketing specialists McWilliams Ballard, Inc. where she managed the company's considerable marketing efforts from concept to close. In her experience there, Shannon planned and executed large-scale real estate promotional events, organized press relations, oversaw the advertising team, and directed the company's corporate branding effort, including creation of McWilliams Ballard's website and printed marketing collaterals.

Ms. Flynn holds a B.S. in Accounting from Ithaca College.
